Feedback Analysis and Action Taken Report (ATR)
on
Academic Performance of the Institution

Action Taken Report on Employers' feedback on the Academic Performance of the Institution for the academic year 2023-24

Introduction:

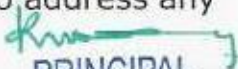

We conducted a survey among employers to collect their feedback on the academic performance of our institution. The feedback was collected through a questionnaire that asked employers to rate the quality of education, skills and knowledge of graduates, and the relevance of the curriculum to industry needs.

Action Taken:

- 1. Quality of Education:** Based on the feedback received, we reviewed the curriculum for each program and made the necessary revisions by introducing the necessary certificate courses. We also suggested the faculty improve their professional development to enhance their knowledge and skills and ensure that they are up to date with the latest trends and advancements in their respective fields.
- 2. Skills and Knowledge of Graduates:** We introduced new skill-building opportunities for students, such as internships, training through the Placement cell and coaching for competitive examinations to ensure that our graduates are equipped with the required skills to succeed in their respective fields. We also conducted regular evaluations of our graduates to ensure that they are meeting industry standards and are well-prepared for their careers.
- 3. Relevance of Curriculum:** We reviewed our curriculum to ensure that it is relevant to the needs of the industry and that it aligns with current trends and practices by introducing certificate courses and establishing industry partnerships to ensure that our programs are meeting the needs of the industry and that our graduates are prepared for the workforce.
- 4. Communication with Employers:** We established regular communication channels with employers to solicit feedback and ensure that our graduates are meeting their needs. We also provided employers with opportunities to engage with our students, such as guest lectures, mentorship programs, and job fairs.

Conclusion: We have taken significant steps to address the concerns raised by our employers regarding the academic performance of the institution. We remain committed to continuously improving our programs to enrich and fulfilling the learning experiences for our students and ensure that our graduates are well-prepared for their careers. We will continue to solicit feedback from our employers and take prompt action to address any concerns.
