Utilization:

- **Scheduling:** A well-defined schedule for classes, team practices, and recreational use will be established to avoid conflicts and ensure equitable access.
- **Permits and Reservations:** Permit systems may be implemented for organized events or team practices.
- **Appropriate Attire and Conduct:** Users are expected to wear appropriate clothing and footwear for their chosen activity. Respectful behavior towards others and responsible use of the facilities are mandatory.
- **Prohibited Activities:** Activities that may damage the ground, equipment, or pose safety hazards, such as driving vehicles or using illegal substances, are strictly prohibited.

Gymnasium:

Maintenance:

- **Cleanliness and Hygiene:** The gymnasium will be kept clean and well-ventilated to prevent the spread of germs and ensure a pleasant environment.
- **Equipment Maintenance:** Gym equipment will be regularly inspected and serviced to ensure proper functioning and prevent injuries.
- **Safety Measures:** Emergency exits, first-aid kits, and fire extinguishers will be readily available and regularly checked.

Utilization:

- **Access and Supervision:** Access to the gymnasium may be restricted to enrolled students or open to the wider community based on specific policies. Qualified instructors or supervisors should be present during all workout sessions.
- **Proper Use of Equipment:** Users are expected to familiarize themselves with proper equipment usage and follow safety guidelines. Misuse of equipment is strictly prohibited.
- **Personal Belongings:** Secure storage options for personal belongings should be provided to minimize clutter and prevent theft.
- **Appropriate Attire and Conduct:** Proper gym attire and footwear are required for safety and hygiene. Respectful behavior towards others and responsible use of the facilities are mandatory.

Enforcement and Review:

- Clear signage and communication will be used to inform users about the sports ground and gymnasium's procedures and policies.
- Regular inspections and audits will ensure compliance with safety regulations and maintenance standards.
- Feedback from users will be actively sought and incorporated into improvement plans.
- Consequences for violation of policies will be communicated and enforced fairly and consistently.
